BENGAL CIVIL FUND.

At a Half-yearly General Meeting of Subscribers to the Bengal Civil Fund, held at the Town Hall, Calcutta, on Wednesday, the 28th July 1875.

PRESENT.—The Hon'ble V. H. Scholch, c.s.i.; The Hon'ble W. F. McDonell, v.c.; The Hon'ble H. J. Reynolds; W. S. Wells, Esq.; J. D. Maclean, Esq.; G. K. Webster, Esq.; W. H. Grimley, Esq.; W. M. Souttar, Esq.; W. H. Verner, Esq.; H. J. S. Cotton, Esq.; and C. P. L. Macaulay, Esq.

W. S. Wells, Esq., in the chair.

Read the following report submitted by the Managers:—

REPORT.

The Managers submit their proceedings for the past half-year for the consideration and sanction of the meeting.

Subject to the approval of Subscribers, they have admitted to the benefits of the Fund the following families:—

Mrs. Macnaghten	... £	300	The widow and five children (two daughters and three sons) of the late Mr. E. Macnaghten, who died at Allahabad on the 18th March last.
Children	... "	410	
		710	
Less $\frac{1}{2}$ under Rule 7	... "	118-6-8	
		£ 591-13-4	

The widow of the late Mr. William Travers (an annuitant of 1855), who died in England on the 4th April last.

Mrs. Travers ... £ 300

The widow of the late Mr. E. J. Boldero (an annuitant of 1867), who died in England on the 23rd May last.

Mrs. Boldero ... £ 300

The widow and three children (one daughter and two sons) of the late Mr. E. H. Harrison, who died at Simla on the 5th June last.

Mrs. Harrison ... £ 300

Children ... " 150

... " 450

Less $\frac{1}{2}$ under Rule 7 ... " 75

£ 375

Mr. Arthur Harington has reported that he has obtained a divorce from his wife, and has applied to subscribe, at reduced rates, as a widower subscriber. The Managers have informed him that the date on which widower rates of subscription become payable is the date on which the *Decree Nisi* is made absolute, or six months after the date of the decree.

The Managers submit for the decision of the meeting, under Article 5, the case of Mr. W. Lambe, who failed to report his marriage until more than six months had elapsed. They propose the infliction of the minimum fine Rs. 500, with arrears of subscription carrying interest at 8 per cent., as provided by the rule.

Mrs. Morris, formerly Mrs. Drew, having applied to the Managers to be allowed to bequeath £50 per annum to her sole surviving daughter by her husband, the late Mr. Drew, without entailing a reduction in the pension of £100 allowed to her daughter from the Fund, was informed that under the old rules, Article 24 was a bar to her request being granted; but that if a satisfactory medical certificate of her daughter's mental infirmity were supplied, the Managers, under the special circumstances of the case, would be prepared to recommend her petition to a General Meeting. Mrs. Morris has submitted the certificate of the family medical attendant, testifying that her daughter was placed 30 years ago in an asylum, and has been since that time and until recently under restraint; that she is still suffering from mental infirmity, which renders her unable to maintain herself; and that the expense of her care and maintenance are necessarily great. The above case is submitted to the meeting for its favourable consideration.

The Managers regret to report the death of the actuary, Mr. Brown. His report on the Fund, which was unfinished at his death, cannot, the Managers are informed, be completed owing to the difficulty experienced in tracing the process adopted by him. The new actuary, Mr. R. Hardy of the London and Provincial Law Assurance Society, has therefore begun a fresh report, and he states that the work is already well in hand and will not be delayed.

With reference to the resolution passed at the meeting of the 27th January last, the Managers have again addressed the Secretary to the Government, Home Department, regarding the admission of natives of India under 33 Vic., Chapter III, to appointments hitherto filled by subscribers to the Fund in order to elicit further information on the subject, but have not yet received an answer.

Proposed by *Mr. Webster*, seconded by *Mr. Macaulay*, "that the proceedings of the Managers in admitting to the benefits of the Fund the families of the late Mr. E. Macnaghten, Mr. William Travers, Mr. E. J. Boldero, and Mr. E. H. Harrison, be confirmed."

Carried unanimously.

Proposed by *Mr. Webster*, seconded by *Mr. Verner*, "that the Managers proposal in the case of Mr. W. Lambe be approved and adopted."

An amendment proposed by *Mr. J. D. Maclean*, "that the facts as set forth in his written statement be made public to the service in the report of this Meeting which will be circulated" was not seconded.

The original resolution was carried.

Proposed by *Mr. Macaulay*, seconded by *Mr. Verner*, "that the Managers proposal in the case of Mrs. Morris be adopted in case the amount which she proposes to leave to her daughter is savings from her pension; and that if it be not savings the question be brought before the next General Meeting after due advertisement."

Mr. Souttar objected that this course was irregular, and proposed, as an amendment, "that the consideration of the question be postponed till the next General Meeting."

The Amendment was lost, 3 votes being for it; and 7 against. The original proposal was carried by 7 votes, but lost under Article 16, by which 9 votes are necessary to carry any resolution.

A vote of thanks was passed to the Chairman.

SCHEDULE A.—IMPORT TARIFF.

SCHEDULE B.—EXPORT TARIFF.

An Act to amend the law relating to Customs Duties and for other purposes.

Whereas it is expedient to amend the law relating to the duties of Customs on goods imported and

exported by sea, and to restrict the export of opium, and to provide for the levy of duties on goods crossing the frontier of certain Foreign European Settlements in India and for fixing a maximum duty of excise on spirit manufactured in British India, and to amend the Consolidated Customs Act; It is hereby enacted as follows :—

Short title. 1. This Act may be called "The Indian Tariff Act, 1875."

Commencement. And it shall come into force on the passing thereof.

This section and section twelve, clause three, apply to the whole of British India.

Local extent.

The rest of this Act extends to the whole of British India except Aden.

2. Act No. XVIII of 1870 (to enable the Government of India to exempt goods from Customs duties), Act No. XIII of 1871 (to consolidate and amend the law relating to Customs duties) and all notifications under either of the said Acts are hereby repealed.

3. Nothing herein contained affects Act No. VI of 1873 (to amend the law relating to the Transshipment of Goods imported by Steamer, and for other purposes), or authorizes the levy of duties of customs on any article carried from one port in British India to another, except salt, salted fish, opium and spirit.

4. There shall be levied and collected, in every port to which this Act applies, the duties specified in Schedules A and B hereto annexed.

5. Goods not prohibited to be imported into or used in British India, whereof any article liable to duty under this Act forms a part or ingredient, shall be chargeable with the full duty which would be payable on such goods if they were entirely composed of such article, or, if composed of more than one article liable to duty, then with the full duty which would be payable on such goods if they were entirely composed of the article charged with the highest rate of duty.

Goods partially composed of dutiable articles.

6. The Governor General in Council may, from time to time, by notification in the *Gazette of India*,

(a) fix for the purposes of this Act the value of any goods exported or imported by sea on which duties of customs are hereby imposed;

(b) exempt any goods imported or exported into or from British India, or into or from any specified port or place therein, from the whole or any part of the duties of customs to which they are liable under this Act or any other law for the time being in force; and

(c) cancel any such exemption.

7. The Local Government may from time to time prescribe rules for ascertaining and determining what spirit imported into British India shall be deemed to have been effectually and permanently rendered unfit for human consumption, so as to be subject only to an *ad valorem* duty of ten per cent. under Schedule A hereto annexed, and for causing such spirit to be so rendered, if necessary, by their own officers, before the duty of customs leviable thereon is levied, and at the expense of the person importing it.

Such rules, on being published in the official *Gazette*, shall have the force of law; and whoever wilfully contravenes any such rule shall be liable to fine not exceeding five hundred rupees.

In the absence of any such rules, or if any dispute arises as to their applicability, the executive officer of highest rank in the department of customs in the port shall decide what spirit is subject only to the said *ad valorem* duty, and such decision shall be final.

8. On all pepper exported by sea from the port of Cochin there shall be levied such duty not exceeding nine rupees per khandi as the Governor of Fort Saint George in Council from time to time determines; and at the close of each year, or as soon thereafter as may be convenient, the Collector of Customs at the said port shall, after deducting the expenses of collection, pay the duty collected under this section to the Governments of Travancore and Cochin in such proportion and in such manner as the Governor of Fort Saint George in Council from time to time directs.

Export of opium.

9. No opium shall be exported from any part of British India, unless—

(a) it is covered by a pass granted by an officer appointed in this behalf by the Governor General in Council or the Local Government; or

(b) it is exported under the said Act No. VI of 1873, section seven; or

(c) such export is permitted under the power next hereinafter conferred:

The Governor General in Council may, from time to time, by notification in the *Gazette of India*,
(d) permit the export of opium from any part of British India on payment of such duty, or on such other terms, as the Governor General in Council thinks fit; and

(e) cancel such permission.

10. Duties of customs shall be levied on goods

Duties on goods crossing frontiers of Foreign European Settlements in Presidencies of Madras and Bombay.

passing by land into or out of Foreign European Settlements situate on the line of coast within the limits of the Presidency of Fort Saint George or the Presidency of Bombay at the rates prescribed in the Schedules A and B hereto annexed.

11. And whereas it is expedient that the duty of excise on spirit distilled in British India should bear a due proportion to the customs duty on spirit imported into British India, it is hereby further enacted as follows:—

Subject to any general rules or special orders which the Governor General in Council may from time to time make in this behalf, the Local Government may from time to time, by notification in the official *Gazette*, fix the duty of excise leviable on spirit manufactured in all or any of the distilleries situate in the territories under its administration, or in any part of such territories, at any rate not exceeding the rate fixed for imported spirit by Schedule A hereto annexed;

and all provisions now in force as to the levy of duty now chargeable on spirit shall apply to spirit upon which the duty declared under this section has not been paid.

12. And whereas it is expedient to amend the Consolidated Customs Act in manner hereinafter appearing, it is hereby further enacted as follows:—

Section twenty-seven of the Consolidated Customs Act shall be construed, as if, for the words "for which a specific value has not been fixed by the Local Government with the sanction of the Governor General of India in Council," the following words and figures were substituted (namely) "for which a specific value is not fixed by or under the Indian Tariff Act, 1875;"

And the following proviso shall be added to section fifty-seven of the same Act, (namely), "Provided also that where such goods are arms, ammunition, or military stores, they may be sold or otherwise disposed of at such place (whether within or without British India) and in such manner as the Local Government may from time to time direct;"

And section sixty-six of the same Act shall be construed as if for the words and figures "the value of which shall have been fixed under the provisions of section CLXXIX of this Act," the following words and figures were substituted (namely) "for which a specific value has been fixed by or under the Indian Tariff Act, 1875;"

And section one hundred and eighty of the same Act shall be construed as if for the words "last preceding section" the following words and figures were substituted (namely) "Indian Tariff Act, 1875."
